

GRAPEVINE GARDEN CLUB CELEBRATES 90 YEARS

Have Garden Clubs ever been more relevant than now? Keeping our Earth healthy, native plants & sustainable practices have been the focus of the Grapevine Garden Club since 1932 when 25 founding members gathered in Grapevine, TX.

Notable Accomplishments & Contributions:

- Seventy five student scholarships since 1985 provided with funds raised at their annual April Plant Sale
- 200K raised for the greenhouse and Pewitt Pavilion at the Grapevine Botanical Garden
- Partnership with the city of Grapevine for the annual October Butterfly Flutterby event, community programs and providing help landscaping & maintaining city owned green spaces
- Promotion of native plants, earth friendly practices, bird sanctuary designations & wildlife awareness and protection
- Monthly meetings for members & guests with program speakers, seed and plant exchanges, visits to residential & public gardens, opportunities for garden related destinations, bulb and caladium sales, "Ask a Master Gardener" table, and numerous opportunities to volunteer in club and city related events

The 90th Anniversary Celebration will take place Tuesday, September 27th at the Grapevine Convention Center with 150 members expected to attend including 50 honored guests, 19 past presidents and 22 City Officials and Staff.
